

Business Tax Property Maintenance or Repair Miscellaneous Maintenance

A business tax receipt in this category is very restrictive in nature and allows for certain types of work; (Examples: clean out garages, hanging drapery rods, peep hole installation, changing door knobs, replacing toilet flush kits, pressure washing.)

A Department of Business and Professional Regulation license is required to perform any work in the following service areas including but not limited to:

A/C Repair or Installation	Glass	Plumbing
Aluminum Work	Glassing	Pool Contractor
Demolition	Insulation	Roofing
Drywall	Irrigation	Structural Steel Erection Contractor
Electrical	Low Voltage Wiring	Window Installations
Garage Door	Masonry	

Screening or re-screening of anything other than windows, doors, and lanais that are built in the structure of the roof of the home (no aluminum work)

Note: *Performing lawn, landscaping or fertilizer service in unincorporated Lee County requires a Best Management Practices Certificate of Training.*

Florida Statute 489.127 Prohibitions, penalties. - **no person shall:**

Engage in the business, advertise him/herself or act in the capacity of a contractor, or a business organization available to engage in the business or act in the capacity of a contractor or perform work for which a building permit is required without being duly registered or certified.

Under penalties of perjury, I have read the foregoing document and declare I will not perform work that requires a Department of Business and Professional Regulation contractor license or any other regulatory license required by the county or state.
